Extend your grasp with our Reachers

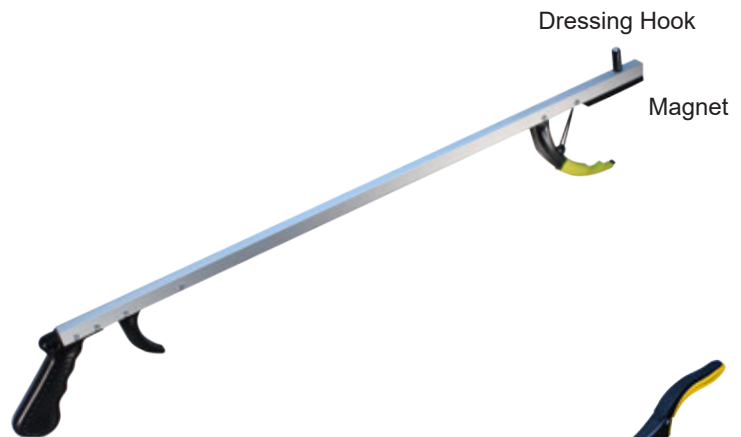

PARSONS ECONO REACHER

Our base model reacher. Solid lightweight aluminum construction and a string mechanism makes this model affordable and easy to use. Perfect for everyday tasks, the Parsons Econo Reacher helps you grab items from hard-to-reach places without straining. Whether you need to pick up dropped objects, reach high shelves, or avoid bending down, this budget-friendly tool gets the job done.

[PS-16H060](#) Econo 26", 4.9oz

[PS-16H062](#) Econo 32", 6.0oz

PARSONS HORSESHOE REACHER

Our most versatile reacher, perfect for everyday tasks. The Parsons Horseshoe Reacher features a sturdy yet lightweight design, with an optional folding mechanism for easy storage and travel. Whether at home or on the go, this model provides the perfect balance of portability and strength. Plus, an added magnet helps you easily pick up small metal objects for extra convenience.

PARSONS T-REX REACHER 🛠️

Designed for those with reduced mobility, the Parsons T-Rex Reacher requires less grip strength to operate than other models. It comes with a dressing hook and a magnet for added functionality and versatility. Its ergonomic design features a shorter squeeze mechanism, making it perfect for individuals with smaller hands. Lightweight yet sturdy, this reacher offers ease of use and improved independence for everyday tasks. Available in single and dual grip based on preference.

PARSONS CUP REACHER 🛠️

Built for both indoor and outdoor use, the Parsons Cup Reacher offers strength, reliability, and convenience. Its durable design ensures a secure grip on objects, while the optional locking mechanism allows for a firm hold without requiring continuous pressure—ideal for those with limited grip strength. Whether you're picking up household items, grabbing debris outdoors, or reaching for hard-to-access objects, this reacher is designed for ease of use and lasting performance.

EXPANDABLE DOOR HINGE 🇨🇦

Add two inches to most doorways allowing access for wheelchairs and walkers. Installs easily. Uses the same screws and holes already in your door frame.

16H157A [PS-16H157A](#)

FINGER GRIP KEY TURNER 🇨🇦

This kit provides large plastic finger loops and the necessary screws to assemble handles on two keys. For those with limited manual dexterity or finger strength. 2 pair per pkg. NOW EXPANDABLE TO 3/8" TO ACCOMMODATE MOST AUTO KEYS!

16H148 [PS-16H148](#)

LIGHT SWITCH EXTENDER 🇨🇦

An extension handle for your light switch. A great device for children, wheelchair users, persons with tremors or a weak grasp. 14" (36cm) long, this handle lowers a regular height light switch to a more convenient height. A rubber cap fits over the light switch knob.

16H165 [PS-16H165](#)

T-PULL DOOR CLOSER 🇨🇦

The T-Pull Door Closer is a great device for people in wheelchairs as well as anyone using crutches. With the Door Closer, closing doors becomes a simple task. Made of sturdy black ABS plastic. Measures 7.75 inches (19.7 cm) in overall length. Tucks away when not in use.

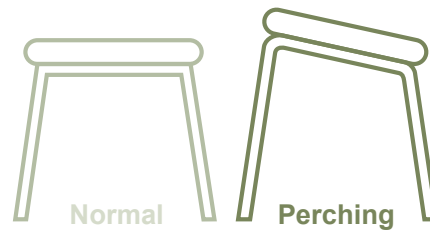

16H159 [PS-16H159](#)

Perching Stools

Why use a Perching Stool?

Perching stools have seats that are sloped forward reducing the effort required to sit down and stand up.

PERCHING STOOL, BASIC

This perching stool features a powder coated steel frame, padded seat, and slip resistant rubber feet. Height is adjustable from 21"-27". The stool's tilt eases hip strain when standing, while the angled seat supports the user during tasks like food prep. Base measures 16" wide x 22" (40.6 x 56 cm) deep, seat measures 14" wide x 11" (35.5 x 28 cm) deep. Requires assembly. **Weight capacity: 250 lbs. (114kg).**

20H025 [PS-20H025](#)

PERCHING STOOL, DELUXE

Similar to 20H025 with the added features of a padded backrest, size 6" x 12" (15 x 30cm) and chrome plated arm rests. 20" (51cm) between arm rests. Assembly required.

20H026 [PS-20H026](#)

One Step Stool

ONE STEP STOOL WITH HANDRAIL

Features a chrome-plated base measuring 12" wide x 16" long x 9" high (30 x 40 x 23cm); the stool is covered in a non-slip matting for confident use. The chrome plated steel handrail is 33" (82cm) tall to assist with balance. Weighs 6 lbs. (2.7kg). Requires assembly. Weight capacity: 350 lbs. (158kg).

16K055A [PS-16K055A](#)

Turn, Write, Talk

PAGE TURNER 🇨🇦

Our hand clip with a long curved light aluminum bar tipped with a rubber end to easily flip pages, even heavy paper.

16H146 [PS-16H146](#)

BEAN BAG LAP DESK 🇨🇦

12" x 16" (30 x 41cm) light grey plastic top with a cloth bag filled with styrofoam pellets. Useful for many applications such as writing, eating, hobby jobs, food preparation while seated, etc. The bean bag provides a form fitting and comfortable support for the surface on your lap. Removable bean bag for easier cleaning.

16H155 [PS-16H155](#)

ARTHRITIC'S PHONE HOLDER 🇨🇦

An epoxy coated metal hand clip which fastens to a phone or drinking glass with a hook & loop strap. It can be re-bent to suit hand size. Also very useful for putting a handle on a salt shaker, a glass, bottles, etc. The hook & loop is left extra long for adaptations.

16H140 [PS-16H140](#)

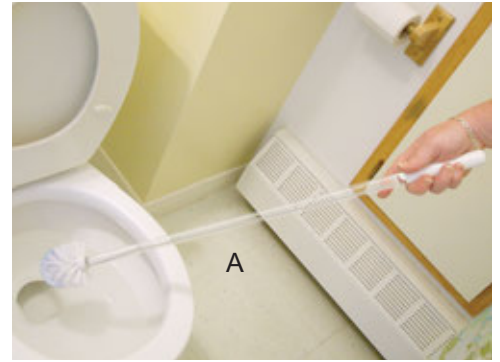

Phone not included.

Cleaning Aids

A LONG HANDLE TOILET BRUSH WITH CUP 🇨🇦

Reduce bending and kneeling when cleaning the toilet. Long clear acrylic handle adds greater stiffness and is easier to clean. The 3" (7cm) diameter bristle head easily fits into every curve of the toilet bowl. Overall length 26" (66cm).

16B117 [PS-16B117](#)

B HANDY SCRUB 🇨🇦

Longer than most handles on the market. Reduces bending and straining while cleaning bathtubs, whirlpools, tiles, etc. Nylon net head works with cleanser to clean around contours and into corners. Net head will not scratch acrylic, fiberglass or plastic surfaces. Easy drying, no washing required, just rinse and shake dry. 48" (122cm) shaft allows easy reaching to high or low areas. Lightweight, only 300 grams.

16B119 [PS-16B119](#)

TELESCOPIC HANDY SCRUB 🇨🇦

Similar to above but with a telescopic handle adjusting from 34" to 60" (86cm to 152cm).

16B118 [PS-16B118](#)

REPLACEMENT HEAD 🇨🇦

16B118HEAD [PS-16B118HEAD](#)

C EXTRA LONG HANDLE SPONGE 🇨🇦

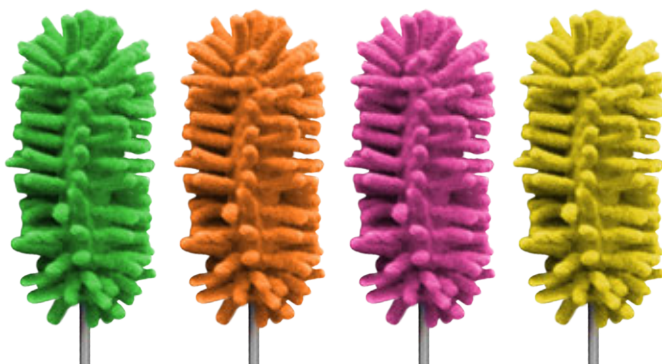

Take the stretch and bend out of household cleaning with this extra long handled sponge. The sponge is mounted on a stiff yet lightweight white aluminum shaft. 30" (76cm) long.

16B125 [PS-16B125](#)

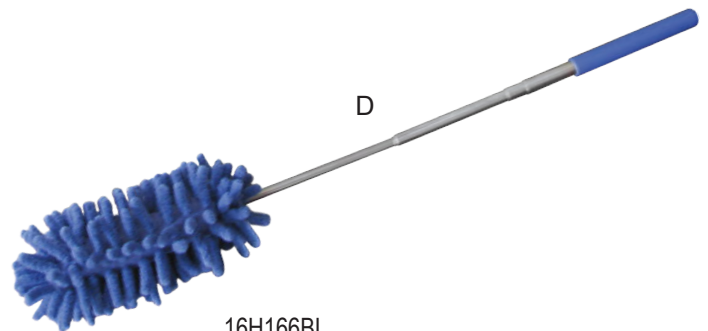

D EXTENDABLE MICROFIBER DUSTER 🇨🇦

This vibrant high-reach cleaning duster is specifically crafted for efficient, safe, and affordable cleaning. The durable pole is lightweight and easy to maneuver, allowing you to reach corners and ceilings without the need for a step stool, reducing the risk of falls. The telescoping handle extends from 10 to 29 inches (25.4 to 73.7 cm) in length and is available in a range of colors.

Smoking Aids

BEDSIDE ASHTRAY, WITH REMOTE TUBE 🇨🇦

This bedside ashtray is similar to the remote ashtray except with a weighted anti-slip base for use on a bedside table or beside your favourite TV chair. Tube length: 36" (91cm).

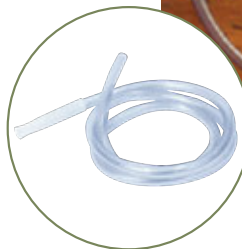

16C036-1 [PS-16C0361](#)

REPLACEMENT TUBES 🇨🇦

Inside dia. of tubes is 3/16" (0.5cm), outside dia. is 5/16" (0.8cm). Fits items 16C036 and 16C036-1.

16C037 [PS-16C037](#)

CLIP-ON REMOTE SMOKER ASHTRAY 🇨🇦

The ultimate in wheelchair smoking safety. The cigarette is always held over the ashtray and the smoker uses the tube with mouth piece to smoke. Even if the smoker falls asleep the cigarette is always in the ashtray. Tube length 36" (91cm).

16C036 [PS-16C036](#)

SMOKER'S BIB, FIRE-RETARDANT 🇨🇦

This smoker's bib is made of a soft cloth that is fire-retardant. The cloth is inherently flame resistant ensuring a high level of protection against fire risks. It does not melt or form molten droplets. It is colour fast and machine washable. Size 24" x 36" (61 x 91cm). Nomex material blended with 25% viscose; especially made for its high fire resistance. Finished with white trim. Attaches with tie strings.

16L201A [PS-16L201A](#)

Leisure

LOW VISION PLAYING CARDS

These poker-sized playing cards are specially designed for individuals with vision impairments, featuring large 1-5/8" numbers and letters. Each suit is color-coded – green, black, red, and blue – for easy and immediate recognition. The smooth, plastic-coated finish ensures effortless handling and long-lasting durability.

16L403A [PS-16L403A](#)

CARD HOLDER, WOODEN 🇨🇦

This varnished hardwood playing card holder provides a sturdy and stylish way to organize and hold cards during games, keeping them accessible and neat. Measures 10" (25cm) long, with No-Slip rubber feet. Does not include cards.

16L014 [PS-16L014](#)

Magnifiers

FULL PAGE MAGNIFIER 🛒

A large pliable sheet magnifier. Enlarge a whole page of print at once! Ideal for anyone with minor vision problems. Lens size is 6½" x 9" (16.5 x 23cm). 2x magnification.

16H030 [PS-16H030](#)

WALLET SIZE MAGNIFIER 🛒

Made of a flexible plastic, this magnifier is the size of a credit card and fits in your wallet so you will always have a magnifier when you need one. 2x magnification.

16H028 [PS-16H028](#)

ROUND READING GLASS

3" (7.6cm) round reading glass with plastic handle. 2x magnification, 4x bifocal area.

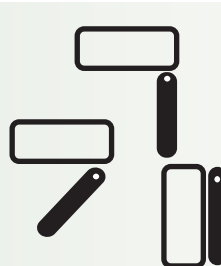

16H031 [PS-16H031](#)

RECTANGULAR READING GLASS

A 2" x 4" (5 x 10cm) 2x magnifier and a 4x bifocal area. This magnifier has a folding handle, and comes with a travel case.

16H032 [PS-16H032](#)

SOLARSHIELD SUNGLASSES, WITH CASE 🛒

For both men and women, these sunglasses fit over regular eyeglasses and block 100% of UVA and UVB sun rays. They provide 40% more protection than regular sunglasses with extra wide side bars and top bar. Designed for the protection of seniors who often need additional sun protection because of: sensitivity to sunlight, dry eyes, allergies that create eye irritation and post-cataract surgery. Case included.

16M050 [PS-16M050](#)

Medication Aids

EYE DROP GUIDE 🇨🇦

Holds the eye open and directs the drops, allowing for accurate eye drop installation! Clips into place over most eye drop bottles and positions the bottle at the correct angle over the eye. Special cup prevents blinking by keeping the lower eyelid open. Unique pinhole directs eyesight upward and away from the descending drops.

16M002A [PS-16M002A](#)

7 DAY AM/PM PILL REMINDER

This push-button pillbox offers easy access to your medications twice a day with transparent lids for quick identification.

16M012 [PS-16M012](#)

PILL BOX, JUMBO

This 7 day pill box is perfect for those who need large capacity. Each compartment holds 65 ASA size pills.

Braille on lids. L x W x H:

9" x 1 3/4" x 1" (23 x 4.4 x 2.5cm).

16M008 [PS-16M008](#)

DELUXE PILL CUT AND CRUSH 🇨🇦

This handy device is four tools in one: a serrated crushing surface to effortlessly crush pills, a stainless steel blade to provide a clean pill cut, four compartments for pill storage and a small drinking cup. Overall height is 3 1/4" (8cm).

16M016A [PS-16M016A](#)

PARSONS EPINEPHRINE PEN POUCH & BELT 🇨🇦

These pouches are water resistant and can safely hold your EpiPens in order to protect them against water, dust, dirt and sand. Features a zipper closure and an adjustable strap which can be worn around the waist or across the shoulders. Made of polyester, cotton & vinyl blend for durability. The 1" (2.5cm) webbing strap has a plastic side-release buckle and extends to a total length of 47 inches (119 cm). Black only.

- A 16M061-1 [PS-16M0611](#) Single: 8" x 2 1/2" (20 x 6cm) Holds one pen
 B 16M061 [PS-16M061](#) Double: 8" x 3 1/2" (20 x 9cm) Holds two pens

EASY SWALLOW CUP 🇨🇦

This Easy Swallow Cup is designed for your natural swallowing reflex to help you swallow medications or vitamins stress free. Simply pour liquid into cup, place medication into spout and drink naturally. Dishwasher safe, (top rack only). Height is 4" (10cm).

16M045A [PS-16M045A](#)

Personal Safety Alarms & Fall Management

SEAT BELT ALARM

Easy to use belt alerts staff the moment the buckle is undone. Convenient on/off switch, low battery light, and flashing light to help locate the patient. The belt has grommets to secure bolts for attaching to the chair. Mounting bracket included for the alarm. Uses one 9V battery (included). Six month warranty excluding battery.

16M108A [PS-16M108A](#)

EARLY WARNING SEAT BELT ALARM

This belt system provides staff with an extra margin of safety for those more active wheelchair patients. The alarm sounds when the hook and loop is released to the blue area on the belt. At that point there is still approximately 12" (30cm) of hook and loop remaining for safety and to allow staff additional time to attend to the patient.

16M109A [PS-16M109A](#)

PADS FOR SEAT BELTS

Replacement pad set for Seat Belt Systems, PS-16M108A and PS-16M109A, shown above.

[PS-16M110A](#)

Personal Safety Alarms & Fall Management

MAGNETIC PULL-CORD ALARM

The magnetic pull switch of this versatile patient monitor releases from any direction. The unit includes a mounting holster that may be secured to a headboard or use its hook & loop fastener for wheelchair mounting. Cord adjusts from 28" to 58" (71 to 147cm). Two alarm levels (85dB and 95dB), on/off switch, battery check button, 2 AAA batteries included.

16M101A [PS-16M101A](#)

MAGNETIC PULL-CORD SWITCH

Replacement magnetic pull cord for 16M101A Magnetic Alarm.

16M101-1 [PS-16M1011](#)

CORDLESS PIR ALARM

An alternative to sensor pads, this PIR (Passive Infrared) alarm system provides simple, safe and dependable motion detection to help manage patient care and fall prevention. It has a thin, curtain-like motion detector beam, which only monitors a narrow area beside the bed. When the beam is interrupted, the sensor detects motion and triggers the alarm. Cordless system eliminates potential tripping hazard or accidental wire pulls. Maximum detection distance of 24' (7.3m). Alarm loudness of 80dB. 9 volt battery included.

16M102A [PS-16M102A](#)

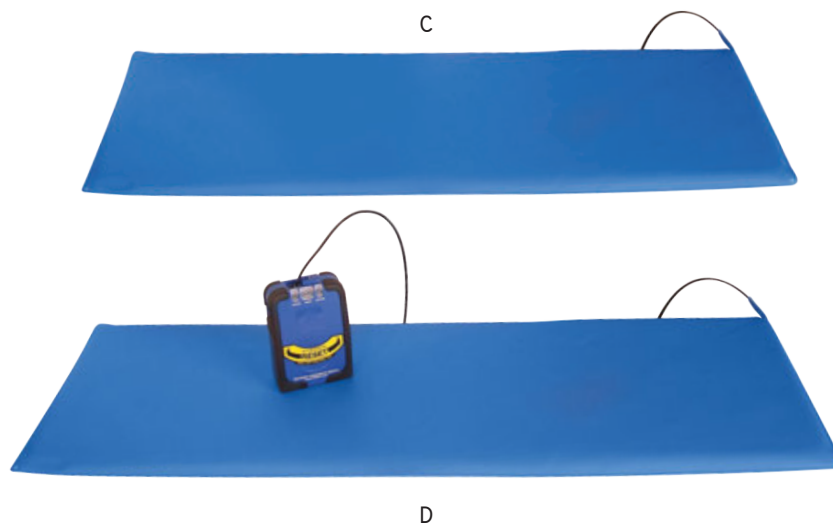

Swivels for
precise alignment

TR2 TAMPER RESISTANT (SENSOR PAD ALARMS)

Effectively monitors unwanted patient exits from bed. As soon as any weight is applied to the sensor pad, the alarm unit "beeps" to indicate activation. When the alarm is triggered, the unit sounds and a flashing red light helps you locate the patient. The large sensor pads stay securely under the patient, while allowing them to shift positions and not worry about setting off the alarm. Pads can be placed under the patient's shoulder area for more sensitivity to and early warning of patient wandering. No maximum weight limit. The sensor pads are designed for the demands of long term use.

ALARM UNIT

- A Includes universal mounting clip and four AA batteries. For use with either chair or bed sensor
16M120A [PS-16M120A](#)

CHAIR SENSOR PAD

- B 10" x 15" (25 x 38cm). Cord length: approx. 32" (81cm). Minimum weight limit: 80 lbs. (31kg).
16M104A [PS-16M104A](#)

6 MONTH THIN BED SENSOR PAD

- C 11" x 30" (28 x 76cm). Cord length: approx. 68" (173cm). Minimum weight limit: 100 lbs. (45kg).
16M105A [PS-16M105A](#)

BED SENSOR PAD ALARM SYSTEM

Mobility Solutions

UPLIFT PREMIUM POWER LIFTING SEAT

Poly-foam • Poly-cover

Provides 100% electric lift for those who struggle to get up from a seated position. Works on most armchairs or sofas and with patented Levelift Technology, users enjoy a safe, gentle lift with no forward dumping. The three layer cushion with memory foam core maximizes comfort while helping prevent pressure sores. Truly portable with two ergonomic carry handles and lightweight construction. Black waterproof cover.

16H014A [PS-16H014A](#)

UpLift Electric Power Lifting Seat will lift 100% of a user's weight up to 300 LBS. (136kg)

UPLIFT SEAT ASSIST

Self-powered • Memory-foam • Waterproof cover

The hydro-pneumatic lifting mechanism of the Seat Assist engages as soon as the sit-to-stand motion is initiated by the user. Non-slip material on the base prevents shifting on seating surfaces. Built-in carry handle. Because it uses no electricity, the Seat Assist is perfect for restaurants, theatres, church or even a park bench. The flexible seat curves to a flat surface that lifts you up on a level plane, without dumping you forward. Washable, waterproof BLACK cover with comfortable memory foam cushion.

16H018A [PS-16H018A](#) Weight Range: 80-230 lbs. (37-104kg)**
16H019A [PS-16H019A](#) Weight Range: 195-350 lbs. (88-159kg)**

**UpLift Seat Assist will lift up to 70% of a user's weight. Seat Assists are not intended for use with wheelchairs.

- No switches
- No special installation
- No electric wires
- No latches

Safety & Therapy Aids

PARSONS SOFT LANDING MAT 🇨🇦

Greatly reduce the danger of injury if a patient falls out of bed. This 2" (5cm) thick pad will soften the fall. The mat folds in the middle for easy storage and has carry handles. The front edge is tapered to allow a wheelchair to ride onto the mat and to reduce the danger of people tripping on it. Durable vinyl cover for easy cleaning. Anti-slip base. Measures 30" x 72" x 2" (76 x 183 x 5cm). Weighs 7.8 lbs. (3.5kg).

15E083A [PS-15E083A](#)

Safety & Therapy Aids

FURNITURE RISERS 🇨🇦

Sturdy blocks made of multi laminated plywood. Ideal to safely elevate a bed or chair height for anyone who has trouble getting up and down from a low seated position. Size: 5" (13cm) square outside, 4" (10cm) inside. Amount of elevation is adjustable within ranges indicated above. Weight capacity: 500 lbs. (227kg) per block. Sold in packages of 2.

- 16H182A [PS-16H184](#) 2" to 3" (5 to 7.6 cm) Height Range
- 4.5" (11.4 cm) Block Height

OUTDOOR GRAB BAR - 18" (46cm)

Safety grab bar ideal for all outdoor areas – provides additional safety entering and leaving the house especially for those who may be unsteady and would benefit from a little extra help. New attractive soft grip bar is comfortable and easy to hold. Ribbed surface provides additional support. Concealed screws remove any sharp edges. Can be positioned horizontally or vertically. Maximum user weight 350 lbs. (160kg). Overall length 19½" (50cm).

- 16L004A [PS-16L004A](#)

PARSONS BEAN BAG DINNER TRAY

This tray combines all the comfort of our bean bag lap tray and lap desk. Now with a low vision red plastic tray attached. In case of spills, the tray simply unhooks (hook & loop) from the bean bag for easy clean up. Red tray measures: 12" x 16" (30 x 41cm).

16H179 [PS-16H179](#)

PARSONS BEAN BAG LAP TRAY

This lap tray has a 1/4" (6mm) matching moulding surrounding the easy to clean plastic surface. This moulding stops items such as cups, plates, etc. from accidentally slipping off the surface. The removable bean bag provides a form fitting and comfortable support on your lap. 12" x 16" (30 x 41cm). Weighs 1.65 lbs. (0.75kg).

16H170 [PS-16H170](#)

Grip Solutions

A universal design makes "Good Grips" easy for everyone to use. Good Grips are everything that an everyday tool should be. They're comfortable, they're usable and functional. Soft rubber grips, that won't slip, even when wet. Made of stainless steel and Santoprene®, and they are dishwasher safe. Within this line of products are some very handy items for everyday kitchen use and independence. The Lock-On Can opener is great for those with weak grip strength - it doesn't require constant grip of the handle, like standard can openers, in order to open the can. The Jar Opener is a useful tool for those hard to open jar lids.

Mugs

A PARSONS DOUBLE HANDLED MUG 🍷 🇨🇦

This crystal clear plastic mug has double handles to make drinking safer and easier for those with weak grasp or tremors. The handles will accommodate four adult fingers and the lid has a drinking spout to prevent spills. The transparent design instantly shows the level of contents. Wide base to resist tipping. Dishwasher safe up to 194°F (90°C). Microwavable. 10 oz (295ml) capacity. *16T125 is not dishwasher safe.

16T129	PS-16T129	Weighted Mug, With Lid & 'No-Slip' Base

D PARSONS INSULATED MUG 🍷

Foam insulated high impact polypropylene mug with easy to grasp handle. Holds either hot or cold liquid, remains cool to the touch on the outside. Complete with a snap on lid which regulates flow and minimizes spills. Not microwavable. Not autoclavable.

16T159	PS-16T159	Insulated Mug, 8oz (237ml)
16T161-1	PS-16T1611	Insulated Mug, 12oz (356ml)

Cups

A CONVALESCENT NO SPILL CUP 🇨🇦

The convalescent cup has a lid with a mouth piece, which has a hole large enough to accommodate a straw. Opposite the mouth piece there is a small air inlet hole in the lid, by putting a finger over the air hole you can regulate the flow of the liquid. 8 oz (237ml) capacity. 4" (10cm) tall. Ideal for drinking while lying in bed. Dishwasher safe.

16T143 [PS-16T143](#)

REPLACEMENT LID 🇨🇦

16T143-1 [PS-16T1431](#)

B ANTI TIP BASE, FOR CONVALESCENT CUP 🇨🇦

This base is a friction fit on to our convalescent cup. It helps prevent bed ridden patients from spilling the contents of the cup if they bump it with their hand as they reach for it. Has an anti-skid base for further stability.

16T142 [PS-16T142](#)

C DRINKING SPOUT LID 🇨🇦

The spout can be used for drinking, a straw can be inserted, or the spout can be sucked like a straw and the air hole can be used to regulate the flow. Institutional dishwasher safe.

16T163 [PS-16T163](#)

D RECESSED CUP LID 🇨🇦

A regular cup rim to drink from with a recessed lid to regulate flow and reduce spills. A very safe lid which allows the normal drinking method favored by most people. Straw will fit in drinking hole.

16T164 [PS-16T164](#)

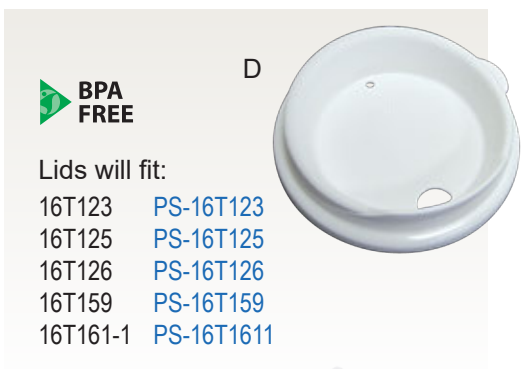

E KENNEDY CUP (SPILLPROOF CUP) 🇨🇦

Sturdy screw on lid with internal nozzle eliminates accidental spills. The Kennedy Cup will not spill, so it can be used in a reclining or sitting position. Easy to grip handle is perfect for patients of all ages, left or right handed. Lightweight and durable, can be picked up by even the weakest hands. The Kennedy Cup holds 7oz of hot or cold liquid. Accepts any standard straw. Designed especially for rehabilitation and as an accessory for daily living. Helps restore independence and dignity. Dishwasher safe (maximum 180° F/75° C). Blue colour. Not recommended for the microwave. Straw not included.

Spillproof Cup

A EASY SWALLOW CUP 🇨🇦

This Easy Swallow Cup is designed for your natural swallowing reflex to help you swallow medications or vitamins stress free. Simply pour liquid into cup, place medication into spout and drink naturally. Dishwasher safe, (top rack only). Height is 4" (10cm).

16M045A [PS-16M045A](#)

B CUP HANDLE (HOOK & LOOP STRAP WITH HANDLE) 🇨🇦 🍁

An epoxy coated metal hand clip which fastens to a drinking glass or a phone-handset with a hook & loop strap. The hand clip can be re-bent to suit hand size. Also very useful for putting on a salt shaker, a bottle, a phone, etc. The hook & loop strap is left extra long for adaptations.

16H140 [PS-16H140](#)

NOSEY CUPS 🇨🇦

The rim on our translucent Nosey Cup has been designed so a person can drink without tipping their head back to drain the glass. It can be tipped beyond the point where a normal cup would hit the bridge of your nose. Designed for people with limited neck movement, a bed patient or in a wheelchair with a headrest.

16T144-1	PS-16T1441	Nosey Cup, Green, 4oz (118ml)

A SLEEPANGEL MEMORY FOAM PILLOW

SleepAngel Memory foam pillow gives excellent support for back and side sleepers. The memory foam gently adapts to your shape, to help relieve the aches and pains caused by pressure peaks, while the contouring effect provides proper head and neck support. Foam is very flexible and breathable polyurethane foam, that is highly durable and does not lose its shape and performance over years.

Pillow details: size 47 L x 71 W x 11 H cm.

GS-3020004

B SLEEPANGEL MICROFIBRE PILLOW

SleepAngel MicroFibre pillow feels like a "classic pillow" for people that like to fluff and plump their pillow, but with the added bonus of allergen and pathogen free sleeping experience. Hermetically sealed, making them waterproof.

Pillow details: size 50 x 70 cm

GS-3020014

Unique PneumaPure filter is clinically proven to keep viruses and bacteria out, while still allowing for clean air to pass through.

- No laundering required - simply wipe down the exterior of the pillow
- Perfect for allergy and asthma sufferers

ALIGN-RIGHT SLEEPING PILLOW

Align-Right Therapeutic Cervical Sleeping Pillow with 100% Cotton White Pillow Case. Cylindrical Roll Design - Supports the natural curve of your neck, which prevents unnecessary stress on the vertebrae.

Fleece Protectors

SHEEPSKIN HEEL / ELBOW PADS 🇨🇦

Provides Pressure Relief on your heels and elbows with these cozy sheepskin protectors. Attaches around the heel or elbow with a hook & loop strap. Made from dense shearling sheepskin. Hand-washable at low temperatures. Air dry.

19N100A [PS-19N100A](#)

PARSONS PALM PROTECTORS 🇨🇦

Designed to protect the skin in the palm of the hand in the presence of a permanent hand contracture. Manufactured of soft fleece covering with foam padding in the palm area. The palm protector slips easily over the thumb and is fastened using a hook & loop closure. Fits both left and right hand. One size fits most. Machine washable. Sold as a pair.

15E004 [PS-15E004](#)

Fleece Product Content: 70% acrylic and 30% wool. Wash in cold water, gentle cycle and mild soap (such as Zero, used for wool sweaters). Lay flat to air dry. Do not use dryer.

The entire Ventopedic product line is built around an effective moisture transport technology system aimed at maintaining skin integrity on a variety of body parts. Structured around fabric functionality, Ventopedic products are designed to effectively draw moisture away from the skin while providing soft cushioning support. Machine washable and dryable. Latex free.

VENTOPEDIC HEEL ELEVATION BOOT WITH BUTTERFLY LIFT 🍁

Unique butterfly lift design and centre sew line creates a channel for the Achilles to rest comfortably. Two stabilizing straps inside the boot will prevent leg rotation inside the boot. Can be used on left or right foot. One size fits most adults.

19N234A [PS-19N234A](#)

VENTOPEDIC HEEL & ANKLE PROTECTOR 🍁

Cushioning support and moisture control for the heel and ankle area. Circular openings on each side promotes airflow and makes visualization easier. Non-slip bottom. Fits left or right foot.

ITEM	SIZE	CALF CIRCUMFERENCE
19N115SM PS-19N115SM	Small/Medium	8" - 12" (20.3 - 30.5cm)

16H193-2 [PS-16H1932](#)

DELUXE ADJUSTABLE BLANKET SUPPORT

D An attractive lightweight aluminum blanket support with a bronze finish. The support frame adjusts up to 23" (58cm). Just insert the base between the box spring and mattress. Does not fold flat.

16H300A [PS-16H300A](#)

Stocking Aids

If you cannot reach your socks or stockings to pull them up, then this is the answer. A sock or stocking is pulled over the flexible blade, then insert your foot and pull on the straps to bring the sock over the heel and up the leg. A little talcum powder lets your heel slide more easily on some stocking aids.

STANDARD STOCKING AID 🇨🇦

A flexible sock aid with nylon webbing straps. Curved shape holds stocking on the aid while pulling it up your leg.

16D005 [PS-16D005](#)

DELUXE RIGID SOCK AID 🇨🇦

Helps put on socks, stockings and compression stockings without bending. Made of formed ABS plastic that holds its shape and has soft foam grip handles with braided cords which may be cut and retied to adjust the length, makes it easy to use.

16D037A [PS-16D037A](#)

FOLDING STOCKING AID 🇨🇦

A revolutionary stocking aid with features intended to overcome the shortcomings of older models. Moulded into the blade are two hinges, which allow the side wings to fold, combining the benefits of both a flat stocking aid (easy to store) and a hard gutter shape (easy to use). With both wings folded, it is extremely easy to slide the stocking aid into the stocking. Then the wings are folded open to form a tunnel making it easy to slide the stocking over your foot. Large hook areas grip the stocking as it is being pulled up the leg. The centre panel has raised pebbled slide strips to reduce the friction of your bare heel on the plastic. A large perimeter bead protects stockings from snagging and runs. Wide web straps are easy on hands. The tip acts as a long shoehorn to reduce bending when putting your shoes on.

16D030 [PS-16D030](#)

TERRY COVERED STOCKING AID 🇨🇦

Slits in the plastic core allow bending around the heel. Blue nylon inside reduces friction and outside terry covering holds sock or stocking firmly until it is on. Two pull straps with hand loops permit one handed application. Washable.

16D006 [PS-16D006](#)

Stocking Aids

SOCK HORSE / SOCK AID

Helps you put on your socks quickly and easily. Easiest and fastest sock tool on the market. Extra-long handle with ribbed thumb grips and ergonomic hand contour. Doesn't stretch out socks – just the top of the sock goes on the grips. Two tools in one – the bottom guides can be used as a long-handled shoehorn. Suitable for use with most types of men's and women's socks. Measures 18" (45.7cm) long.

16D008A [PS-16D008A](#)

COMPRESSION STOCKING AID 🇨🇦

Designed to take the struggle out of putting on compression stockings. Made of steel with smooth plastic coating. Convenient handles greatly assist in pulling the stocking up. Simply stretch the stocking over the column, insert toes and pull up with a continuous motion. Stocking Aids reduce bending and increase independence while dressing. Inside column width is 4" (10cm).

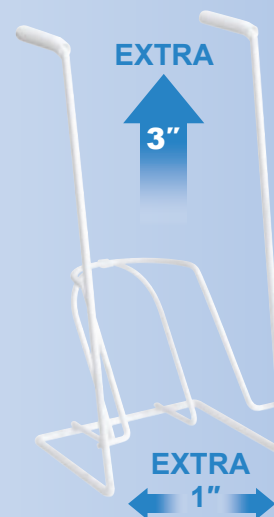

16D029 [PS-16D029](#)

PARSONS "EXTRA" COMPRESSION STOCKING AID 🇨🇦

All the benefits of our 16D029 Compression Stocking Aid plus: an extra 3" (7.6cm) handle height for an overall height of 17" (43.2cm) to further reduce the bending required to pull up your hosiery. An extra 10° angle of inside column to further assist the placing of your foot into the stocking. The inside column width has been increased to 5" (12.7cm) to for users with wider calves.

16D027 [PS-16D027](#)

HEAVY DUTY LEG LIFT STRAP 🔄🇨🇦

A simple and practical way to lift a leg onto a bed or a wheelchair footrest. A 35" (89cm) long strap with a loop at each end. One loop is placed over the wrist and the other end is placed over the foot or cast. The centre section has a rigid aluminum slat inside. Made of 2" (5cm) wide webbing for comfort. 6½" (16.5cm) loops. Latex free.

16D045 [PS-16D045](#)

BENDABLE LEG LIFT STRAP 🔄

This 42" (105cm) leg lifter is made of heavy duty reinforced nylon webbing with an aluminum rod to help place the loop over the foot. The loop bends to accommodate any size cast or foot. Great for patients recovering from surgery, back problems or weak hip flexors.

16D039A [PS-16D039A](#)

ELASTIC SHOE LACES 🔄

These elastic laces allow shoes to be pre-tied and then slipped on or off easily. They also allow tired feet to swell without restricting circulation. 2 pair / pkg. Recognized by the Canadian Association of Occupational Therapists.

SHOE REMOVER, PLASTIC 🔄

Facilitates easy shoe removal without bending over. Also keeps hands off dirty boots. For added help with lace up or tight shoes, we suggest a long shoe horn and elastic shoe laces.

16D015A [PS-16D015A](#)

Shoe Horns & Dressing Sticks

A DRESSING STICK 🌀

The push/pull hook on one end is helpful with many articles of clothing. The other end has a zipper pull. 24" (61cm) wooden shaft.

16D013 [PS-16D013](#)

B DELUXE SHOE HORN 🌀

Shoe horn mounted on a flexible spring which ensures that no matter what angle the shoe horn is held the foot can easily slip into the shoe. 24" (61cm) long.

16D016 [PS-16D016](#)

C METAL SHOE HORN 🌀

A one piece white epoxy coated steel shoe horn 24" (61cm) long with a handy hang up hole.

16D018 [PS-16D018](#)

D PLASTIC SHOE HORN 🌀

Strong flexible plastic shoe horn 24" (61cm) long with a handy hang up hole. Latex free. Blue.

16D019-1 [PS-16D0191](#)

E PARSONS DRESSING STICK

Designed with a high strength plastic push-pull S-hook at one end and a long handled shoe horn at the other end. A large comfortable foam grip covers the entire handle. 30" (76cm) length.

[PS-16D055](#)

Post Operation Kit

HIP / KNEE REPLACEMENT KIT 🌀

Six dressing, bathing and household items to assist recovering hip or knee replacement patients. All items help reduce stress on knees or hips. An ideal money saver as well as providing all the necessary equipment to make recovery as comfortable as possible. Great savings when compared to buying items individually.

16D500 [PS-16D500](#)

This kit includes:

Folding Stocking Aid
Black Elastic Shoe Laces
32" (81cm) Econo Reacher
21" (53cm) Long Handled Sponge
24" (61cm) Plastic Shoe Horn
Bendable Leg Lift Strap

Note: No substitution of items in kits. Items in this kit are also sold separately.

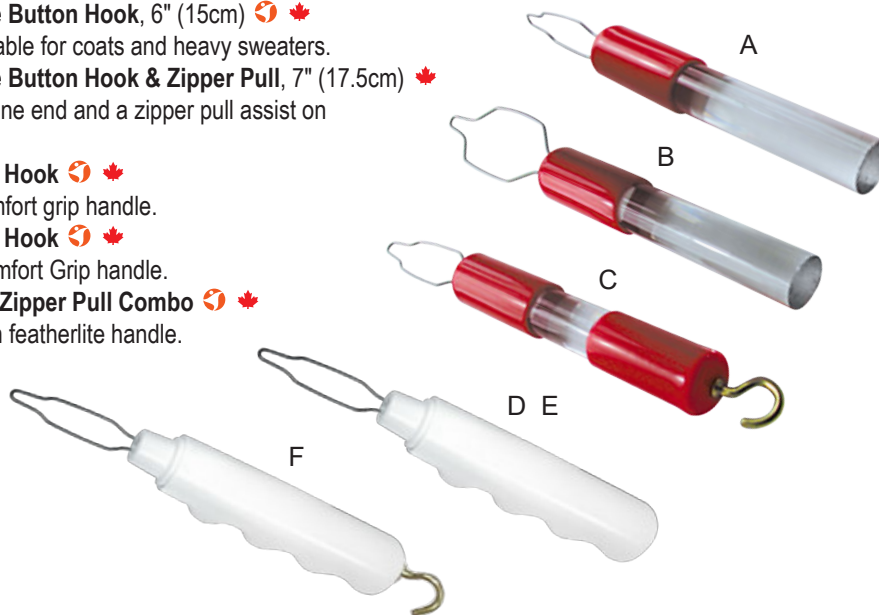

Button Hooks

Button Hooks enable the person with poor dexterity or only one hand to do up buttons.

Easy to clean acrylic button hooks with red ends to assist vision. All are designed to fit easily in purse or pocket.

- A 16D022-1 [PS-16D0221](#) **Acrylic Handle Button Hook, 6" (15cm)** 🇨🇦
Small loop suitable for shirts and blouses.
- B 16D023-1 [PS-16D0231](#) **Acrylic Handle Button Hook, 6" (15cm)** 🇨🇦
Large loop suitable for coats and heavy sweaters.
- C 16D022ZP [PS-16D022ZP](#) **Acrylic Handle Button Hook & Zipper Pull, 7" (17.5cm)** 🇨🇦
Small loop on one end and a zipper pull assist on the other end.
- D 16D020 [PS-16D020](#) **Deluxe Button Hook** 🇨🇦
Small loop, comfort grip handle.
- E 16D021 [PS-16D021](#) **Deluxe Button Hook** 🇨🇦

Zipper Pulls

ZIPPER PULL TABS 🇨🇦

Large plastic snap on zipper tabs make pulling zippers easier. 6 /pkg.

16D014 [PS-16D014](#)

COMFORT GRIP ZIPPER PULL 🇨🇦

Enables people with poor dexterity to hook and pull zippers independently. Finger bump grip provides extra gripping ability for weak hands.

16D011 [PS-16D011](#)

BUCKINGHAM BRA-ANGEL

Women of all ages with upper limb restrictions may find it difficult to put on a brassiere independently. The simple-to-use Bra-Angel holds one end of the brassiere securely while the other end is brought around the body. Especially useful for those with the use of only one arm. Works with most brassiere types and is easily adjusted for size. Its telescopic action also allows it to be shortened for storage and travelling. Latex free. Patents pending.

16D061A [PS-16D061A](#)

A LOOFAH BACK BRUSH

This back scrubber is similar to 16B121 but has a natural loofah pad instead of bristles. Loofah pad can be removed and hand held. Length 16½" (42cm).

16B120 [PS-16B120](#)

B SCRUB BRUSH

A natural bristle back scrub brush with wooden handle. Brush may be removed from the handle and used as a massage brush or a hand held scrub brush. Length 16.5" (42cm).

16B121 [PS-16B121](#)

C PARSONS LONG HANDLED SPONGE

A colourful rectangular sponge mounted on a lightweight epoxy coated aluminum handle. Vinyl hand grip reduces slipping from wet hands. Length 21" (53cm).

16B122 [PS-16B122](#)

D PLASTIC HANDLED BATH SPONGE

A double sided, double textured, blue sponge. Long white curved handle. Large hanging hole also serves as a convenient hand grip. Length 19" (48cm).

16B123 [PS-16B123](#)

E PARSONS DELUXE BATH SPONGE

This deluxe sponge has the same helpful angle as 16B122 combined with a clear acrylic rod for reduced weight. Soft foam handle that retains its grip even when wet and soapy. Length is 20" (51cm). Recognized by the Canadian Association of Occupational Therapists.

16B160 [PS-16B160](#)

F EXTRA LONG HANDLED SPONGE

Take the stretch and bend out of household cleaning with this extra long handled sponge. The sponge is mounted on a stiff yet lightweight white aluminum shaft. 30" (76cm) long.

16B125 [PS-16B125](#)

G PARSONS WASH MITT, ELASTIC CUFF

Non allergenic white terry cloth wash mitt with elastic wrist and a soap pocket. Loop for hanging or can be pulled on with teeth for one handed washing. Fits either hand.

16G010 [PS-16G010](#)

H PARSONS BACK SCRUBBER

Multi-layered pad of white non-allergenic terry cloth with hand loops on each end. Makes back scrubbing easy. 4" x 15" (10 x 38cm) with two 15" (38cm) long straps.

16G012 [PS-16G012](#)

FOOT BRUSH 🌀

If you have trouble reaching your feet during bathing a foot brush is very helpful. The overall length is 25" (64cm), which makes it easy to scrub your feet. The replaceable tip is good for washing or drying between the toes. Ideal for diabetics whose feet are particularly susceptible to ulceration and infection because of a loss of sensation. Lightweight, 8oz (230 grams) with a slight curve to the handle to make it easy to use.

16G017A [PS-16G017A](#)

REPLACEMENT SPONGE TIP 🌀

Snap-in sponge for use with shown above.

16G017-1 [PS-16G0171](#)

NO-SLIP SAFETY STRIPS 🌀

These textured strips are excellent to prevent you from slipping in either bare feet or shoes. Use them in the tub or shower, around a pool or on wheelchair foot plates. White, 6 strips per pkg. Size $\frac{3}{4}$ " x 17" (2 x 43cm). No Latex.

16B085 [PS-16B085](#)

RUBBER BATH MAT 🌀

A basic item for bathroom safety is a slip resistant bath mat. This full length mat provides safety for the whole length of the tub plus added comfort for those who like to lie down and take a bath. The colour is off white. Size: 16" x 41" (41 x 104cm). No latex.

16B084 [PS-16B084](#)

ANTI SLIP TUB STRIPS 🌀

Available on a roll, the white self adhesive strips designed for wet areas can be applied to bathtubs, shower trays, floors and any surface that is frequently wet. It is used to provide grip, particularly for bare feet and where safety is an issue in the bathroom and change rooms where floors and surfaces are slippery. These easy to apply self adhesive strips provide a long lasting anti-slip solution in homes, care homes and public and clinical environments. Individual strips on the roll measure 8 in (20 cm) long x 0.75 in (1.9 cm) wide.

16B087 [PS-16B087](#)

Bath Cushion

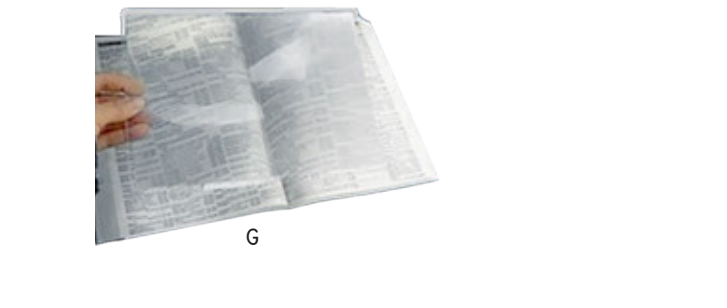

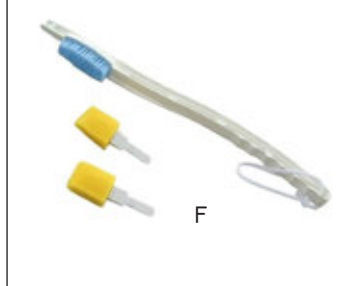

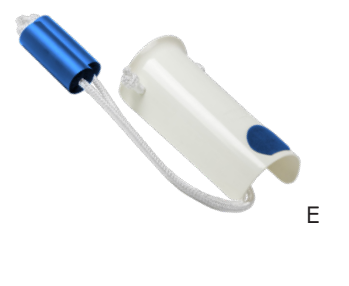

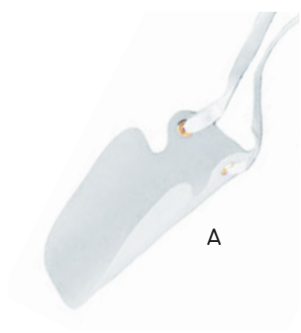

INFLATABLE BATH CUSHION

Here is a great little luxury item for the bath tub. Great for young and old alike. This pillow has a bonded terry cloth cover for added comfort. Inflate it to your personal preference of firmness. Has a central indentation to help cradle your head. It has four suction cups to stick to the wall or tub. Size 16" wide x 14" x 3" (41 x 36 x 8cm).

Grooming Aids

LOTION APPLICATOR 🇨🇦

The easy way to apply lotion or bath gel to your back without squirming and twisting. Fill the 19 floating balls applicator with gel and use the 17½" (44cm) length to distribute the gel where needed. A cover is provided to protect the gel from spilling between uses.

16G030A [PS-16G030A](#)

A DELUXE DENTURE BRUSH 🇨🇦

A two sided denture brush mounted securely on 4 suction cups to allow one handed cleaning of dentures.

16G005 [PS-16G005](#)

B ECONO DENTURE BRUSH 🇨🇦

Economy denture brush mounted on 2 suction cups for positioning on the inside wall of the sink.

16G009 [PS-16G009](#)

LADY'S EXTENSION RAZOR HOLDER 🇨🇦

Lady's extension razor holder is designed to hold either an electric or a safety razor. This handy aid will assist a person to shave their legs if they have a hard time reaching down. Useful during pregnancy, after a hip operation, etc. May be useful for extending the reach of other tools as well, such as dusters, paint brushes, etc. Length: 20" (51cm).

16G022A [PS-16G022A](#)

FOAM GRIP EXTENSION RAZOR HOLDER 🇨🇦

This product offers the same benefits as above with the added benefit of a soft foam grip that retains its grip even when wet. Length: 20" (51cm).

16G022-1 [PS-16G0221](#)

A PARSONS NAIL CARE SET 🇨🇦

A larger nail clipper with emery boards to assist those who may have difficulty with the smaller nail clipper. The emery board is held in place with a spring clip and non-slip pads hold the Lexan base in place to facilitate one hand usage. Two emery boards are included with each set. Base measures 4" x 2¾" (10 x 7cm).

16G015-1 [PS-16G0151](#)

B NAIL CLIPPER AND SANDER 🇨🇦

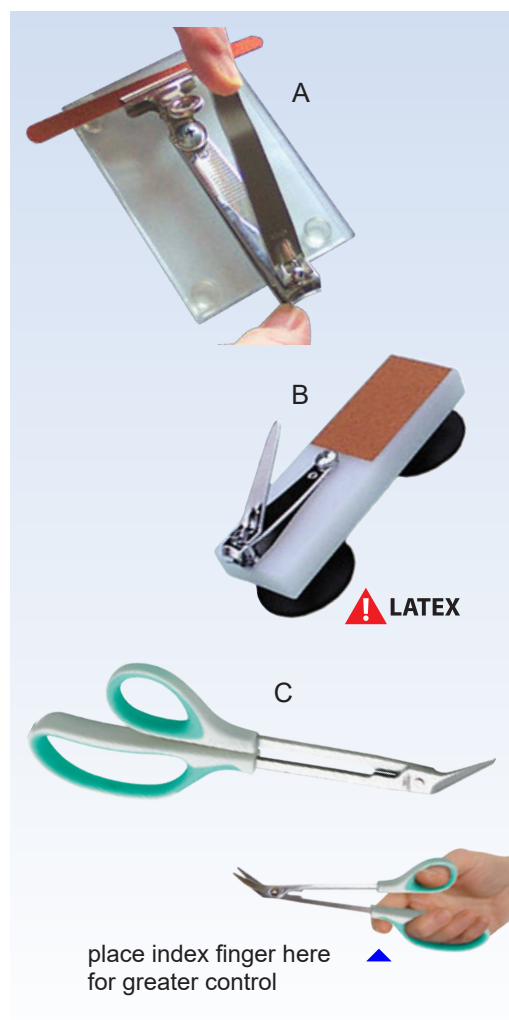

Ideal for individuals with limited hand strength or coordination difficulties, this device combines a nail clipper and rectangular emery board. Two suction cups ensure the unit stays securely in place during use.

16G015 [PS-16G015](#)

C LONG REACH TOE NAIL SCISSORS 🇨🇦

Long Reach Toe Nail Scissors have been ergonomically designed to assist those who have difficulty in bending down to cut their toe nails. The cutting head is angled at 45 degrees to give a more comfortable cutting position, and one blade is slightly serrated to prevent slipping. The long loop handle enables the whole strength of the hand to be used. Overall length 8" (20cm).

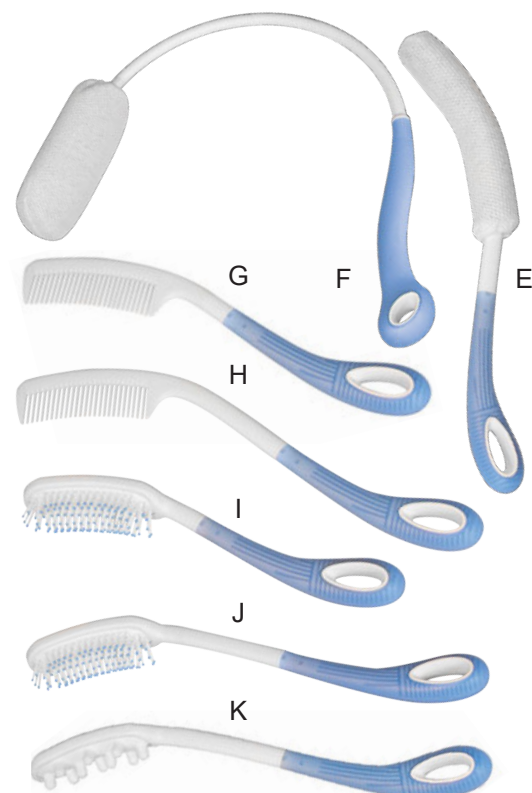

16G014A [PS-16G014A](#)

Beauty Line 🇨🇦

The Beauty line of accessories are carefully balanced to give full action power with minimum stress on joints and muscles. They are also manufactured in a single, very light material, polypropylene, which makes the accessories easy to recycle when they are worn out. Other products may be balanced when dry, but become heavy and unbalanced when they absorb water. That's why the Beauty sponges have been designed with a special material which washes effectively without absorbing water. They can be machine-washed at 140°F (60°C). Handles are ergonomically designed to lie against the whole hand. The rubber-like surface prevents the accessory from slipping out of the hand. The overall length of short handled products is 11½" (29.3cm), while the long handled length is 14¼" (36.4cm). The Beauty Wash Cloths have detachable washcloths which makes them easy to clean.

Adjustable Shower Seats

Our adjustable shower seats provide a stable and comfortable seating option for safer bathing. Designed for convenience, they feature a durable, easy-to-clean surface with drainage holes to prevent water buildup. Sturdy legs with non-slip rubber feet enhance stability, while the adjustable height accommodates different user needs.

A PARSONS SHOWER SEAT 🌀

The Parsons Shower Seat offers a sturdy and non-slip design, while the easy-to-clean surface and drainage holes help prevent water buildup. The compact design makes it a great option for various bathroom spaces.

1460 [PS-1460](#)

- Adjustable seat height: 14" to 20" (35 to 50cm)
- Max. weight capacity: 250 lbs (113.4kg)

B PARSONS SHOWER SEAT WITH BACKREST AND RED HANDLE 🌀

This version of the Parsons Shower Seat includes a supportive backrest and a red safety handle for added stability and ease of use. The ergonomic design provides extra comfort, while the sturdy, non-slip construction enhances safety during bathing.

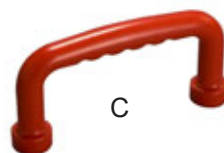

1465H [PS-1465H](#)

- Adjustable seat height: 15" to 21" (38 to 53.3cm)
- Max. weight capacity: 250 lbs (113.4kg)

C PARSONS RED HANDLE 🌀

Handle inner width: 6.5" (16.3cm). Plastic. Red only. Can be added to 1460 and 1465H shower seats.

1463 [PS-1463](#)

D PARSONS TRANSFER BENCH WITH BACKREST 🌀

This modular transfer bench is designed to provide a safe and stable way to enter and exit the bathtub. The removable transfer seat allows for easy positioning and enables the shower curtain or door to close when not in use. With adjustable height settings and a sturdy, non-slip design, this bench offers both comfort and security for users with limited mobility.

1475 [PS-1475](#)

- Adjustable seat height: 15" to 21" (38 to 53.3cm)
- Max. weight capacity: 250 lbs (113.4kg)

E PARSONS SUCTION TIPS 🌀

Rubber suction cup replacement tips. Diameter: 1-1/8" (2.9cm). Sold individually.

3691 [PS-3691](#)

REMOVABLE SEAT
ALLOWS SHOWER CURTAIN
OR DOOR TO CLOSE

SWIVEL SHOWER SEAT 🌀

This bath stool is designed to provide greater mobility and convenience while bathing. The rotating seat allows for easy movement, while the height-adjustable aluminum legs with suction tips ensure stability. The round plastic seat features five drainage holes for quick drying and easy cleaning, and the soft seat pad enhances comfort while turning.

16B104A [PS-16B104A](#)

- Adjustable height: 18" - 25" (45.7 - 63.5 cm)
- Maximum weight capacity: 275 lbs (125 kg)

Hair Wash Accessories

COMFORT HAIR WASH TRAY 🌀

This plastic tray mounts on the shoulders and is held in place via a 35" (89cm) strap which hangs in front of the user for them to hold. It can be used in any home sink, bathroom or kitchen, or with any shampoo basin. The 5" (13cm) wide curved neck rest provides a comfortable support. Water poured on the hair drains into the sink or basin. The tray is 17¾" (45cm) long x 13" (33cm) wide with 1½" (4cm) high sides.

16B096A [PS-16B096A](#)

COMFORT WASH - INFLATABLE SHAMPOO BASIN 🌀

Inflatable basin makes it possible to wash a person's hair without removing them from bed. The patient's neck and shoulders are cushioned in the inflatable rings. Handy for home or institutional use. Inflates by mouth or air pump. Heavy duty vinyl. Inflates to 28" wide x 24" long x 6" deep (71 x 61 x 15cm). Includes 4' (122cm) drain hose, plug and instructions.

16B098A [PS-16B098A](#)

BATH BOARDS

MERMAID BATH BOARD WITH HANDLE 🌀

The "Mermaid" Bath Board adjusts easily from 17¾" to 28" (45 to 71cm) to fit most bathtubs. It has a wide comfortable contoured seating area which makes it easier and safer to turn and move on the board while getting in and out of the tub. The textured surface is slip resistant and there are drain holes to help keep water off the seating area. There is a built in soap dish. The total plastic construction is corrosion free and easily cleaned. Anti-slip rubber pads improve the safety and protect the tub surface. Comes complete with safety handle. Adjusts and assembles easily, no tools required, instructions included. Weight capacity: 250 lbs. (114kg). Size 31" x 14" x 1½" (78 x 36 x 4cm).

16B067A [PS-16B067A](#)

Shower Heads

SHOWER HEAD

Hand held shower head with push button control, wall bracket and mounting screws. Extra long 84" (2.1m) flex hose allows showering or hair washing from a seated position. The hose screws into existing shower head. Includes diverter valve to allow use of original shower head.

16B005A [PS-16B005A](#)

DIVERTER VALVE, WHITE

Non-corrosive construction, diverts water from the shower head to a shower hose. Replacement diverter for 16B005A above.

16B105A [PS-16B105A](#)

ADJUSTABLE WALL BAR SHOWER SET

This shower head with its extra long 84" (2.1m) flex hose is especially designed for use when the bather is sitting on a shower chair or is reclining in the tub. The diverter valve allows the water flow to be directed to either the original shower head for taking standing showers, or to the hose for seated showers. Water temperature may be tested before directing the spray towards the bather. The on/off switch on the shower head allows water flow to be safely turned off from a seated position. The wall bar bracket will instantly adjust the shower height at the push of a button. A convenient soap dish is provided. Comes in attractive retail packaging.

16B008 [PS-16B008](#)

SUCTION TUB BARS

Enter and exit a wet, slippery tub safely and with confidence. These tub bars attach with unique dual suction cups that are easy to attach, remove or relocate by using the flip-up release tabs. A red/green indicator signals when the adherence of the bar needs to be reset for your greater safety. Overall width is 3³/₄" (9.5cm). Opening is 2" (5cm) high.

Bathtub Safety Rails

INVERSE BATHTUB SAFETY RAIL 🌐

Steel with powder coated white finish. Handle width: 5.5" (13.75cm). Handle height: 15" (37.5cm). Adjustable clamp width: 3" to 6.5" (7.5 to 16.3cm). Weight capacity: 250 lbs. (113.4kg). Inverse handle position from item 1250 (above).

1255 [PS-1255](#)

BATH TUB GRAB BAR 🌐

Features 1" (2.5cm) heavy gauge steel construction, powder coated to withstand corrosion. It has a rubber grip to lessen the threat of slipping when getting out of the tub. Non marring rubber pads protect the tub's finish. Overall height is 19" (47.5cm). Height over the tub is 14½" (37cm). Width is 7¾" (19cm). Clamp adjustment is 2¾" to 6½" (7 to 16cm). Weight capacity is 250 lbs. (114kg).

16B237A [PS-16B237A](#)

FOLDING SUPPORT RAIL 🌐

This support rail folds against the wall when not in use. It provides a secure grip and the toilet paper holder is attached for convenience. Epoxy coated steel tube. Weight capacity: 200 lbs. (91kg). Rail length is 28" (71cm) x 1" (2.5cm) diameter.

16B244A [PS-16B244A](#)

CLIP-ON TOILET PAPER HOLDER 🌐 🇨🇦

Snap this paper holder on to the frame of a commode or handrail around an elevated toilet seat. May be locked in place with rubber retainer rings or left to snap on and off. Fits up to 1" (2.5cm) diameter rails.

16B080 [PS-16B080](#)

Rail not included.

Toilet Frames

PRIMA TOILET SUPPORT RAIL

Unique design that allows the frame to get even closer to the toilet pan. This helps to reduce the trip hazard which exists in most other toilet surrounds. Arms correctly positioned for support - designed to surround a toilet with two stable arms either side of the user to use for support. Users can adjust the frame height and width to best suit their needs. The slip resistant feet help keep it steady in use. Folded flat it is convenient to store or to take travelling. Easily assembled without the need for any tools. Weight capacity 190 kg (420 lbs).

16B247 [PS-16B247](#)

TOILET SAFETY RAIL 🇨🇦

Add extra support to a standard toilet with this anodized aluminum toilet safety frame. The frame attaches under the toilet seat using the hardware already mounted on your toilet. Adjustable height with a range from 25½" to 29½" (65 to 75cm). The inside arm width is adjustable ranging from 18" to 22" (46 to 56cm). The arms are held into the Arm Bracket (aluminum extruded bracket) by push button for easy installation and removal. The arm rests are moulded plastic for added comfort. Weight capacity: 250 lbs. (114kg).

16B242A [PS-16B242A](#)

Commode Assistance

RAISED TOILET SEAT WITH ARMRESTS, 5" (12.7cm) HEIGHT 🇨🇦

Manufactured under ISO9002, these raised toilet seats are made to the highest standards. They feature a front locking mechanism for easy installation and have a rear anchoring system for maximum stability. This model is equipped with comfortable padded arm supports well positioned to assist in lowering and rising. Seat dimensions: 16.5" x 15" (41.9 x 38cm). Width between the armrests: 19.5" (48.8cm). Weight capacity: 300 lbs. (136.1kg).

1645 [PS-1645](#)

HERDEGEN ADJUSTABLE COMMODE CHAIR

Modern design offers a high degree of comfort and hygiene. Powder coated structure with waterproof PVC covered upholsteries. Thickly padded seat is fully removable for easy cleaning. Width between arms is 20" (51cm). Seat is 17½" x 15¾" (44 x 40cm) with a 10¼" x 8¼" (26 x 21cm) oval hole. Overall size is 34" x 24" x 21¼" (86 x 61 x 54cm). Seat height is adjustable from 18" to 25" (46 to 64cm) from floor. Weight capacity: 286 lbs. (130kg).

Bathroom Accessories

PARSONS CARRY BAG 🇨🇦 FOR RAISED TOILET SEATS

Take your 2" (5cm) or 4" (10cm) Parsons raised toilet seat with you. This carry bag is constructed of durable nylon that will hold your toilet seat even with the brackets left on. The bag measures: 17" (43cm) long x 17" (43cm) wide x 6" (15cm) deep. A carry handle is built-in for extra convenience. Can be cleaned by wiping with a damp cloth. Black only.

16B029 [PS-16B029](#)

P-GUARD

Soft plastic cup deflects urine down into the toilet bowl for neater toileting. The P-Guard fixes to the outside of the toilet bowl with an adhesive pad. It can also be securely screwed to the front of a raised toilet seat or commode chair. The P-Guard can be easily removed for positioning on the toilet or for cleaning. The flexible link allows the cup to be positioned for each individual.

16B078A [PS-16B078A](#)

COMMODE LINERS

Each package includes seven disposable liners. Each liner will hold up to 64 ounces of liquid and/or solid waste. Includes handy tie handles for easy removal. Package of 7.

16B024A [PS-16B024A](#)

BIG JOHN TOILET SEAT WITH LID

A new economical version of the Big John toilet seat. This is an ideal toilet seat for people who are large framed, senior citizens or the physically impaired. Stylish, ergonomic design has a more comfortable opening and a contoured sitting surface that is roomier than any other toilet seat on the market. Made from the highest-grade plastic, it offers long lasting durability as well as stain and chemical resistance. Fits on standard toilets, round or elongated. Durable, high impact ABS hinges. Stabilizing "synthetic rubber bumpers" that grip the porcelain, keeping the seat from shifting. Rated at 800 lbs. (364kg).

16B320A [PS-16B320A](#)

TOILEVATOR™

When life dictates the need for an elevated toilet seat, Toilevator™ provides a safe, economical and hygienic answer. The addition of the Toilevator™ elevates the toilet in a non-obtrusive, aesthetically pleasing manner which can be comfortably used by the whole family. The Toilevator™ is 12" x 24" (30 x 61cm) and will provide 3½" (9cm) of additional height to any standard 14" - 15" (35 - 38cm) tall toilet, round or elongated bowl. The Toilevator™ can be painted, by first providing an undercoat with "Preprite Anchor Bond". This undercoat is available wherever Sherwin Williams paint is sold.

Kit includes: Toilet spacer, soil pipe extension, 2 longer "T" closet bolts, 2 oval washers & caps, 4 hex nuts, 2 wax seals, flexible water supply line and instructions for installation. The Toilevator™ has a 500 lb. (227kg) maximum weight limit.

SAVANAH SEATS WITH FRONT AND REAR CUT OUTS

Contoured design increases user comfort. Smooth finish assists with transfer. Gentle forward slope makes getting on and off easier. Large front (4½" wide) and rear cut-outs provide for convenient personal hygiene. Deep splashguard minimizes soiling. Strong, lightweight plastic seat is warm to the touch. Fully sealed unit resists stains and odours.

All seats can be put in place and removed quickly. Large fluted adjustment brackets make fitting and removal quick and easy. 15¾" long x 16" wide (40 x 41cm). Supports up to 420 lbs. (191kg). Designed to fit most toilets.

The 2" (5cm) and 4" (10cm) Savanah seats are available with moulded plastic lids which greatly enhance the seat's appearance.

All Savanah seats secure to the toilet bowl with two strong, adjustable brackets on the sides and a lip bracket on the front. Bonded, slip resistant rubber buffers keep them firmly seated on the porcelain.

16B022 [PS-16B022](#)

Transfer Aids

E-Z TURN II DISC

PS-14A600A

Safe and easy patient transfer from one seated position to another with the E-Z Turn II Disc. A valuable aid to caregivers in patient transfer situations, reducing the physical strain resulting from repeated bending and lifting. A stable support-aid reducing the risk of the patient falling. Patient transfer is carried out in a safe and dignified manner.

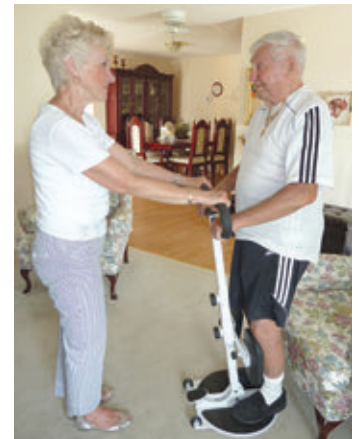

The brakes lock on and release, no need for the care giver to keep a foot on the brake. Now both feet are kept firmly on the floor during transfers. The knee pads pivot to better fit each individual patient and are adjustable to 3 settings for width between the knees. Upper and lower hand grips are padded for a more secure and comfortable grip. The foot plate is reinforced for increased durability.

The E-Z Turn II is positioned in front of the person to be transferred. Built in wheels make the E-Z Turn II portable and maneuverable. The vertical support bar is adjustable from 34½" to 51" (87.6 to 129.5cm) allowing correct user height. The helper locks the brake while holding securely onto the upper handle bar. With knees centrally positioned on the supporting knee pads, the patient grips the lower handle bar and raises himself to an upright position. The E-Z Turn II provides a stable upright support aid for the user to hold. The caregiver is able to transfer the user to a new position with a minimum of exertion. Maximum weight capacity: 300 lbs. (136kg). Unit weighs 46 lbs. (20.4kg).

Replacement components:

A	14A600-1	PS-14A6001	Base Assembly
B	14A600-2	PS-14A6002	Swivel Pad Assembly
C	14A600-3	PS-14A6003	Anti-Slip Pad (Set of 5)
	14A600-4	PS-14A6004	Complete Brake Assembly (not shown)

- Reduce caregiver injuries
- Safe and secure patient transfer
- Reduces risk of patient falling

FOR INTERIOR USE ONLY

Transfer Discs

PARSONS SOFT TOP TRANSFER DISCS 🇨🇦

Parsons ADL's own "Soft Top" Transfer Discs incorporate a 1/8" (0.3cm) soft but durable neoprene, non slip pad top and bottom to ensure user comfort in either socks or bare feet. The rotating action is similar to a "Lazy Susan" but uses graphite pads instead of ball bearings. Weight capacity is approx. 300 lbs. (137kg).

14A067 [PS-14A067](#) 12" Parsons Soft Top Transfer Disc

14A069 [PS-14A069](#) 15" Parsons Soft Top Transfer Disc

TRANSFER DISC 🇨🇦

An ideal way to transfer anybody, at home or in an institution. Position the disc in front of the person to be transferred. Raise them up, rotate them on the disc, then lower them. The disc works like a 'Lazy Susan'. The disc has a very low profile with a non slip surface top and bottom for safety. The disc rotates on graphite pads so there are no ball bearings to get gritty and prevent free rotation. These discs are designed not to rotate too freely as this would be dangerous and would startle anyone, especially persons with a cognitive disability. Weight capacity: 330 lbs. (150kg).

14A060-1 [PS-14A0601](#) Transfer Disc, 12" (30cm) diameter

StandTall Walkers

BURE™ STANDTALL WALKERS

Manufactured in Sweden utilizing a user-friendly design that does not confine the patient. This walker is only 31" (79cm) wide, able to go through most home doorways. The handles are ergonomically designed to be adjustable in every direction for optimum patient adaptation. The StandTall Walker has anatomical arm cushions that are angled downwards to provide relief for the shoulders, arms and neck and shift the focus to larger muscles in the legs and chest. This improves stability and makes the walker easier to steer. The 2 front casters can lock into place while the two back casters can be locked to prevent any swivelling. Overall dimensions: Armrest internal range 12" to 18" (30 to 45cm), 32" (79cm) long. Height range 36" to 53" (90 to 132cm). Weight: approx. 55 lbs. (22kg). Weight Capacity: 330 lbs. (150kg).

DENIM WALKER POUCH 🇨🇦

Here is an attractive walker pouch made of popular blue denim with a complimentary blue and white front panel. There is a large full width pocket in the denim section and three pockets in the front section. Attaches with hook and loop. Size 13" x 8" (33 x 20cm).

16C188A [PS-16C188A](#)

WIRE WALKER BASKET 🇨🇦

Secures easily to most walkers with hook & loop fasteners. Plastic coating prevents rust. A clear plastic tray bottom prevents items from falling out and also has a cup holder recess. Basket measures 16" x 6" x 7" (41 x 15 x 18cm).

14A110 [PS-14A110](#)

DEEP WALKER TRAY 🇨🇦

This tray fits many walkers on the market. It clips securely onto the front bars of the walker. No tools required. The tray and mounting brackets are one piece so there are no parts to lose. Folds flat or removes completely when not required. Supplied with a Ucem no-slip place mat. Has a nice high edge on all four sides for safety. Made of white ABS for easy cleaning and resistance to breakage. Size 10½" x 14½" (27 x 37cm). Depth: 1½" (4cm).

14A106 [PS-14A106](#)

Crutches

HERDEGEN "PROGRESS II" FULL CUFF CRUTCH

Crutches with adjustable elbow support especially designed to suit most user size and weight requirements. Easily adjustable with a push button, fully pivoting arm cuff. Adjustable elbow support height: 8½" - 11¼" (22-29cm). Height adjustment between handle and floor: 28¼" - 37¾" (72-96cm). Lightweight 18.70 oz. (530g) per crutch. Weight capacity: 330 lbs. (150kg) per crutch. Colour: dark grey. No latex.

14A301A [PS-14A301A](#)

HERDEGEN "ADVANCE" HALF CUFF CRUTCH

The world's first "bi-material" elbow crutch! Using the latest in plastic injection technology, these walking aids pair comfort & ergonomic requirements in an innovative design, including an inside anti-noise cap. Height adjustment between handle and floor: 28¼" - 37¾" (72-96cm). Lightweight: 17.6 oz (500g) per crutch. Weight capacity: 285 lbs. (130kg) per crutch. Colour: blue. No latex.

Cane Accessories

CANE/ CRUTCH ICE TIP 🇨🇦

Ice tip for canes and crutches. The star point gives a solid slip free traction on snow or ice but flips up out of the way when not required. Clamps on with two screws. Fits all standard size canes and crutches.

14A025 [PS-14A025](#)

CANE WRIST STRAP 🇨🇦

A black wrist strap for a walking cane. Attaches with a hook & loop band. Has a soft webbing loop. 1/pkg.

14A022 [PS-14A022](#)

CANE CLIP 🇨🇦

This double clip device can be used for canes as well as many other possibilities. One side can be locked onto a wheelchair via our rubber ring system, the other clip is plastisol coated to grip canes, reachers, etc. Fits up to 7/8" (22mm) tubing. 1/pkg.

16C102 [PS-16C102](#)

Cane Accessories

CANE / CRUTCH HOLDER 🌀

This spring loaded clip grips a cane or crutch. Slides up or down the shaft to the desired position. Supports cane or crutch by hanging on a table or wedging under it. Holder has non slip discs for optimum grip.

14A021 [PS-14A021](#)

DELUXE CANE/CRUTCH HOLDER 🌀

This holder attaches to a round tube, such as on a walker or wheelchair, the cane or crutch is pushed into the rubber holder which snaps around the cane, holding it firmly in place. To release, simply pull on the cane. The clamp rotates to allow proper alignment of the cane for the best grip. 1/pkg.

Wheelchair trays

LEXAN TRAY WITH SLIDE-ON 🇨🇦

Gives the user an unobstructed view of feet, clothing, or obstacles. The transparent feature is very useful when first learning to maneuver a wheelchair with a tray on it. This tray allows an unobstructed view of the front wheels to prevent bumping into things. Attaches to the wheelchair with an easy slide-on system.

Fits 16" (41cm) and 18" (46cm) wheelchairs.

16C011S [PS-16C011S](#)

Fits 20" (51cm) and 22" (56cm) wheelchairs. These trays are 2" (5cm) wider at 26" (65cm) with an increased depth of 4" (10cm) now at 22" (56cm). The tummy cut-out has also been increased to allow a comfortable fit.

16C011-22S [PS-16C01122S](#)

LEXAN SAFETY EDGE TRAY 🇨🇦

A flat tray made of 1/4" transparent Lexan with a moulded edge trim all around the edge. The edge is non marring and wide enough to protect frail skin from abrasion. Mounts with our slide-on system. Fits over the arm rests of 16" and 18" chairs. 18" x 24" (46 x 61cm).

16C041 [PS-16C041](#)

Half Lap Trays

PADDED HALF LAP TRAY, LEFT 🇨🇦

16C012-2L [PS-16C0122L](#)

PADDED HALF LAP TRAY, RIGHT 🇨🇦

Very similar to our lexan half lap tray, except for a padded tray section. The tray is padded with 1/2" (12mm) poly foam and covered with black vinyl. Available in left or right versions.

16C012-2R [PS-16C0122R](#)

LEXAN HALF LAP TRAY 🇨🇦

This half lap tray has an epoxy coated steel slide on mounting bracket. The lexan tray size is 10" Wide x 20" Long (25 x 51cm). Our hinge system allows the tray to fold completely over and ride flush with the side of the wheelchair when not in use. This is a very handy feature. The slide on bracket is easy to mount. No tools required. Fits most arm rests.

16C012-1L [PS-16C0121L](#) Left
16C012-1R [PS-16C0121R](#) Right

PARSONS MOULDED TRAY, TRANSPARENT 🇨🇦

These moulded transparent trays have smooth edges and rounded corners to protect tender skin. There are two recessed wells at the front corners as well as a pencil trough across the front. The transparent material makes it easy for the person to see the front corners of the chair through the tray while the chair is in motion. Lightweight and strong. Attaches to 23" (58.5cm) chairs with our adjustable blind-fastening slide on system. Size: 24" x 21" (61 x 53cm).

16C042-1 [PS-16C0421](#)

Adjustable
blind-fastening
slide on system

SLIDE ON TRAY SYSTEM 🇨🇦

The Parsons ADL system for fixing trays onto wheelchairs is a big improvement over the hook & loop strap system. The tray slides over the arms from the front of the chair. Once on, it is secure, even if someone accidentally leans on the front of the tray. Our slide on brackets are designed to allow 2" (5cm) of adjustment in width to accommodate variations in chair widths. Factory configured to fit a standard wheelchair.

SLIDE ON BRACKET SET 🇨🇦

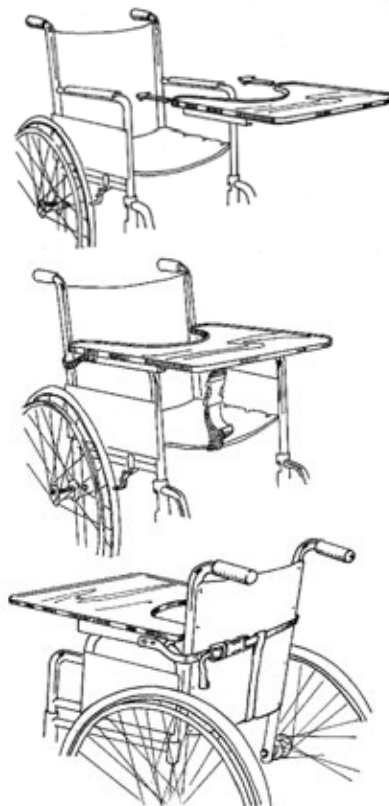

Build your own tray or convert a hook & loop strap tray to a slide on model. The screws now mount flush to help protect wheelchair armrest pads.

16C500
[PS-16C500](#)

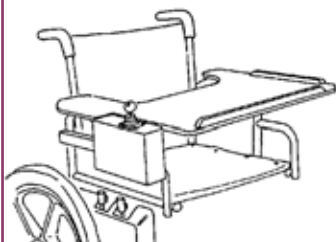

BACKSTRAP 🇨🇦

Prevents wheelchair trays from being accidentally pushed off.

Custom Trays

CUSTOM LEXAN WHEELCHAIR TRAYS 🇨🇦

Parsons ADL Inc. builds custom transparent wheelchair trays of 0.25 inch (63.5mm) Lexan to suit your clients' needs, such as fitting a power chair. Contact Customer Service for a copy of our convenient order form for a custom tray.

16C040 [PS-16C040](#)

Wheelchair Accessories

ADJUSTABLE DRINK HOLDER 🇨🇦

This is without a doubt the best drink holder we have ever seen. It folds flat when not needed, flips down for use. Has adjustable drink holders to accommodate everything from small cans to 32 oz. bottles. The mounting system fits 3/4" to 1" (2 to 2.5cm) round tubes, plus adjusts for different angles on the tube. Size: 3 3/4" W x 4" H (9.5 x 10cm).

16C038 [PS-16C038](#)

CLAMP - ON CUP HOLDER 🇨🇦

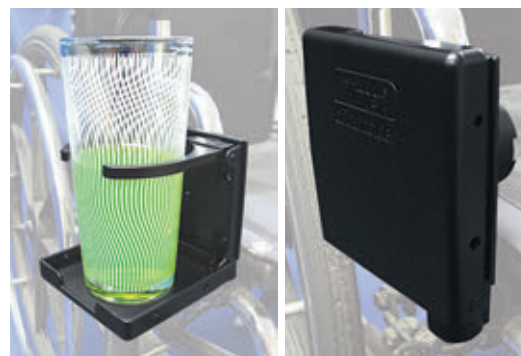

A sturdy plastic cup holder which accommodates a coffee mug with handle. It attaches easily to most wheelchairs. Two attachment clips to fit 7/8" and 1" (22 and 25mm) round tubes are included. Once the clip is installed the cup holder alone can be easily removed. No more accidentally broken cup holders from hitting door posts etc. No tools required. Cup not included.

16C035 [PS-16C035](#)

PUSH GLOVES, BICYCLE STYLE 🇨🇦

These bicycle style push gloves have a sporty appearance. Just the thing to go with a new sports chair. The open mesh back allows good ventilation. The palms have a padded area for durability and a no slip grip. The no slip feature makes them useful to wheelchair sports enthusiasts and for people with a weak grasp. They help keep hands clean while travelling outdoors, yet leave fingers bare for touching or picking things up. Hook & loop wrist straps for easy on/off. Sold in pairs. Measurements are across inside of palm. Latex free.

A PARSONS OXYGEN TANK HOLDER 🇨🇦 🇨🇦

This nylon oxygen tank holder is both strong and lightweight. The mounting straps are adjustable to fit most wheelchairs and are long enough to mount the tank off centre to avoid contacting the patient's head or back. Top straps fit over the push handles, bottom straps over the anti tip bars. Holds D & E or other 4" (10cm) dia. tanks. Black, 4" (10cm) dia., adjusts to either 20" or 26" (51 or 66cm) length. Patented.

16C204A [PS-16C204A](#)

B INHALE8 DELUXE WHEELCHAIR CYLINDER BAG 🇨🇦

The Inhale8 Wheelchair Cylinder Bag is designed for easy adjustment to fit a D or E cylinder. It features a convenient front pocket for your essentials and is made from durable fabric for long-lasting use.

[H8-5805](#)

MEDICAL SHEEPSKIN 🇨🇦

Natural genuine sheepskins have proven to offer soothing relief and comfort for anyone who is bedridden or confined to a wheelchair. Use as an underlay beneath a sheet or place directly under the body, either on a bed or a chair. Lying on a sheep skin will relieve pressure points and increase circulation thereby reducing the development of bedsores. These medical sheepskins come from fine fleece Merino sheep in a natural animal shape, golden beige in colour. Medical sheepskins are hand selected, average 7-8 sq. ft. (0.7 sq. m) in size. The hides are specially chrome tanned to be fully washable. With proper care, these sheepskins will keep the patient comfortable for many years. Hand-washable at low temperature. Air-dry.

18C220A [PS-18C220A](#)

PARSONS FLEECE ARMRESTS WITH POUCH 🇨🇦

Add not only fleecy comfort for your arms but a storage space to boot! Pocket measures approximately 8" (20cm) across and is 6" (15cm) deep. Sold in pairs.

16C196 [PS-16C196](#)

WHEELCHAIR RAIN CAPE 🇨🇦

A generous size rain cape to protect the person seated in a wheelchair and the wheelchair as well. Has a hook & loop closure that can be opened and closed from the inside as well as the outside, also has a double thickness hood for warmth. 100% nylon. Machine washable. One size fits all.

16C300A [PS-16C300A](#)

CONTOURED SHAWL 🇨🇦

Polar fleece shawl is as easy to put on as a blanket around the shoulders. The high collar can be turned up to protect the neck and ears when transferring to the car, without messing hair. The overlapping front is snug and cozy. Hook & loop fastener at neck keeps draft from front of neck. 27' long, 47" wide (69 x 120cm). One size fits most.

16C301A [PS-16C301A](#)

WHEELCHAIR POUCHES

WHEELCHAIR ARM POUCH 🇨🇦

Wheelchair Positioning Belts 🇨🇦

All of our positioning belts are made of 2" (5cm) wide, black seat belt webbing.

Styles of belts available:

- One piece belt which simply loops around the wheelchair,
- Two piece belt with grommets on the ends,
- Two piece belt with metal loops on the ends.

Grommet ends are secured by removing a screw or bolt on the back of the chair and refastening it back through the grommet. Metal loop ends are secured to the wheelchair by passing the webbing around the frame and back through the metal loop.

one piece

two piece with grommets

two piece with metal loops

Four types of belt are available:

- A Hook & loop closure, the lightest weight belt for the user.
- B Side release plastic buckle closure, useful when the auto buckle would be too heavy, such as with children.
- C Automotive-style push button buckle closure, the most secure.
- D Automotive-style push button buckle closure, with tri-glide to secure excess belt length.

Fitness Therapy

Weights

PARSONS CUFF WEIGHTS

Wrist and ankle weight cuffs are an excellent means of applying resistance to the upper and lower extremities. They are covered in soft expanded vinyl, sewn in vertical pockets to provide flexibility and comfort when wrapped around the wrist or ankle. Extra long hook & loop straps make it easy to put the weight on and off, yet ensure a snug fit. These weights are filled with tiny steel shot which is sealed in poly pouches to prevent any leakage under even the heaviest use. A brass grommet provides a convenient means of hanging the weights up for storage. Colour coded for quick identification in a busy clinic. Sold individually.

15W202	PS-15W202	White: 2 lbs. (0.9kg)

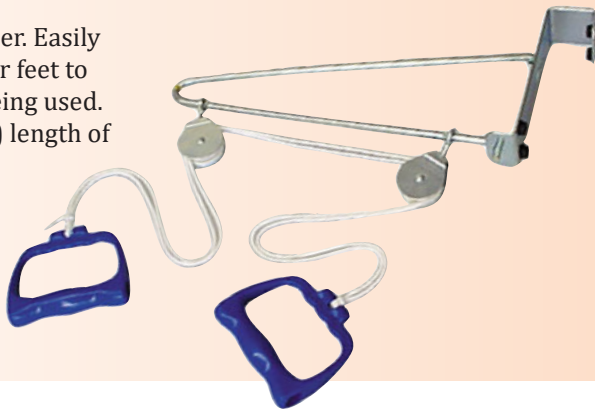

EXERCISE

RECIPROCATING PULLEY EXERCISER

An inexpensive range of motion exerciser. Easily mounted onto door tops and has rubber feet to protect door surfaces when pulley is being used. Two comfortable handles and 8' (2.4m) length of braided rope.

15E049 [PS-15E049](#)

THERAPUTY

Therapy putty is offered in five colors, each with a unique consistency, ranging from extra soft to help strengthen a weaker grasp, to firm for developing a stronger-than-normal grasp. The putty is clean and easy to use, however, in institutional settings it is advisable to use a glove over scar tissue to prevent cross infection. Complete with hand exercise chart. Latex free. NOT microwavable.

	Colour	2 oz
	Blue (Firm)	15E310 PS-15E310
	Green (Medium)	15E311 PS-15E311
	Red (Soft)	15E312 PS-15E312
	Yellow (x-Soft)	15E313 PS-15E313
	Tan (XX-Soft)	15E314 PS-15E314

Set of Five, 2oz of each colour 15E320, [PS-15E320](#)

Exercise Aids

PEDAL EXERCISER

Chrome plated steel tubular frame. Can be used on the floor for exercising your legs or on the table for exercising your arms and upper body. Plastic pedals and foot strap. Sturdy rubber feet prevent exerciser from slipping. The exerciser has adjustable resistance. Use it to increase strength and improve coordination and circulation.

15E051A [PS-15E051A](#)

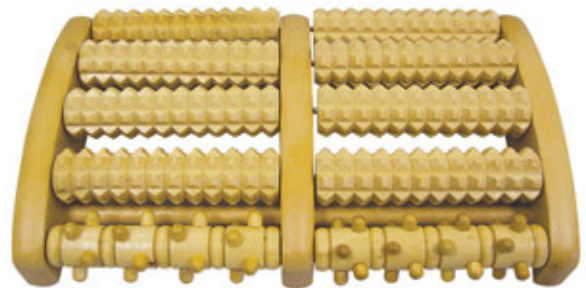

Massage

DELUXE FOOT MASSAGER

Based on the ancient Chinese principles of acupuncture and reflexology. Rolling your feet over the massager gives relief to tired feet by increasing blood circulation. As an added benefit the knobby rollers perform mild reflexology: the oriental art of massaging the nerve ends in your feet thus stimulating a healing process to the whole body. 12" x 5" (30 x 13cm).

15M063A [PS-15M063A](#)

ACU SHIATSU MASSAGE BAR

Ideal for self-management of soft tissue syndromes. The Acu Shiatsu Massage Bar treats trigger points associated with myofascial pain syndrome. The curved bar has several knobs that are interchangeable and can be used for varying shiatsu intensity levels. Little force is needed to apply pressure to trigger points. You can use the Acu Shiatsu Massage Bar in a standing, sitting or lying position. Comes with instruction booklet. Colour: purple. Size 23" long x 3/4" diameter.

15M061A [PS-15M061A](#)

Slings

A CVA SLING - UNIVERSAL SIZE 🇨🇦

Two large cuffs of quilted cloth, with an adjustable neck strap with padded area constructed of Borg fleece provides maximum comfort for persons who have experienced a cerebral vascular accident. Easy to apply or remove without assistance. Fits either arm. Washable. Adjustable in length from 29" to 51" (73.7 to 129.5cm).

14S004 [PS-14S004](#)

B PARSONS UNIVERSAL SOFT SLING 🇨🇦

Manufactured of soft and durable Bucktex® to ensure breathable comfort. Fits either arm and fully adjustable to fit most wearers. Strap adjusts from 33" to 38" (84 to 96.5cm) in length.

14S009 [PS-14S009](#)

Hot & Cold Packs

VITA CARE GEL PACKS

Reusable cold and hot compress always stays flexible. These economical gel packs are non-toxic, microwavable and made with extra strong bags. For cold compress place in your freezer for 1 hour; then apply to the area you are treating over a dry towel. For hot compress, boil a pot of water; remove from heat and place compress pack into hot water for 5-10 minutes. For microwave use, place in a container and cover pack completely with water; heat at full power for 1 minute. Wrap pack in a towel or a fleece cover and apply to area you are treating. Available in three sizes.

15E200	PS-15E200	Small 4" x 6" (10 x 15cm)
15E201	PS-15E201	Medium 5" x 10" (13 x 25cm)
15E202	PS-15E202	Large 10" x 12" (25 x 30cm)

Our Sales Team

Johnny Hsuen
Product Specialist

(Ontario East, Ontario North)

I have spent 10 years with KEGO, gaining valuable experience in the industry and am happy to serve the community and customers by addressing all of their healthcare needs. Throughout my career, I have provided valuable insights and business ideas to create situations that help everyone involved. With over 15 years of clinical experience, I am committed to delivering high-quality care and expertise to ensure the best possible results for those I serve.

jhsuen@kegocorp.com • 866-862-7328 (ext. 300)

Leah Friedrich, RPSGT

Diagnostic Sales Coordinator/International

(Ontario, Western Canada)

I have been with KEGO for over 2 years and bring more than 15 years of experience in the medical industry. As a registered polysomnographic technologist (RPSGT) since 2009, I have gained extensive knowledge in the field. I am passionate about working with the medical community, helping them obtain the necessary equipment to perform their jobs effectively and enhance patient care.

lfriedrich@kegocorp.com • 866-862-7328 ext. 316

Josh Brenneman
Product Specialist

(Ontario West, Saskatchewan, Manitoba)

I joined the KEGO sales team in 2018 and have had the opportunity to cover various territories, ranging from Western Canada to Southwestern Ontario over the years. I thoroughly enjoy supporting clinical teams and identifying opportunities for medical businesses to grow while ensuring patient care remains uncompromised. I am passionate about connecting with customers and helping them succeed to the fullest.

jbrenneman@kegocorp.com • 866-862-7328 (ext. 310)

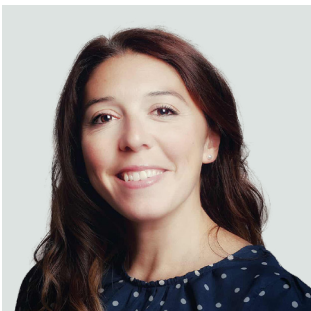

Jessica Petryshyn
Product Specialist

(Alberta, British Columbia, Northern Territories)

I am an accomplished healthcare/pharmaceutical sales professional with over 15 years of experience. Throughout my career I have been able to consistently demonstrate my ability to effectively help patients, clients and customers while providing effective communication and education. I am a self motivated leader and aim to help others.

jpetryshyn@kegocorp.com • 866-862-7328 (ext. 308)

Jessica Enea
Product Specialist

(Quebec, Atlantic Canada)

I am a trained respiratory therapist with over 15 years of experience in the field. My career has allowed me to develop a human-centred approach focused on listening, customer satisfaction, and finding tailored solutions. I have excellent interpersonal skills and am passionate about making a real difference for healthcare professionals and their patients.
